

CALL FOR BIDS

The Hamlin County Board of Commissioners will receive sealed bids at the County Auditor's office in the Courthouse at Hayti, SD up to 11:00 am Monday March 7, 2022 for contracts for one year for the following material or supplies:

Reinforced concrete or corrugated steel culverts of various sizes and lengths, arch pipe and multiplate or sectional pipe, precast concrete bridge decking, bridge steel, various sizes and lengths. Bridge plank and piling to conform to latest SD Dept of Transportation specifications, galvanized bridge hardware, square tube sign posts, hot and cold mix asphalt, per ton; pea rock, per ton; sand delivered to Lake Poinsett per ton. Cutting edges, weed chemical, rental or lease of miscellaneous equipment for road construction and maintenance, liquid asphalt road oil per ton, new tires; bid must be one of major brands such as Firestone, Good Year, U.S. Royal, Goodrich or Michelin. Other brand name tires will also be considered. These tires must be 100 level or better. All above materials and supplies must be available for immediate pickup or 24-hour delivery F.O.B. Hayti SD or discount allowed for pickup. A bid bond or certified check will be waived as provided by SDCL 5-18-6-.1 for supply products. A performance bond maybe required of a bidder within 10 days after notification of bid award for supply products. All bids must be in a sealed envelope stating what service is being bid upon. The Board of Commissioners reserves the right to accept or reject any or all bids and to waive any defects therein.
