

NOTICE

Beginning the week of November 14th, 2022, the Hamlin County Equalization Office will be checking properties in the City of Castlewood for damage that occurred during the May storms. Assessors will be conducting a block-by-block review to determine what properties were damaged, and the extent of that damage. Upon completion of the review, our office will work with other entities in the county to determine a proper course of action and will notify those affected. If you would like to make an appointment or have any questions, please contact the Hamlin County Equalization Office at 605-783-3331.
